

**IT Human Resources Market (No 10)**  
(Continue No 9)

### 3. IT Human Resources From 2000 to 2005

IT Education in Cambodia first started on 1996 at Royal University of Phnom Penh. By now, there are around 5,000 graduated students. With little success, only some students get job with IT skill. We have done a survey on three well-know universities about their graduated students and employment from year 2000 until 2005.

Year	University	Number of Graduated Student	Number of Employment
2000	RUPP	200	50
	ITC	0	0
	Norton	0	0
2001	RUPP	300	80
	ITC	20	20
	Norton	250	60
2002	RUPP	500	150
	ITC	35	30
	Norton	380	50
2003	RUPP	550	160
	ITC	35	30
	Norton	350	70
2004	RUPP	400	120
	ITC	40	30
	Norton	300	40
2005	RUPP	600	150
	ITC	40	25
	Norton	250	45
<b>Total</b>		<b>4250</b>	<b>1110</b>
<b>Employment Percentage</b>			<b>26%</b>

**Note:** - RUPP: Royal University of Phnom Penh  
- ITC: Institute of Technology of Cambodia  
- Norton: Norton University

### 4. Number of IT Worker in Private Company
